

WE PROVIDE ON-THE-JOB ONBOARDING & TRAINING

If you want to join our team, you don't need to have 10 years of experience managing a move project from start to finish, or how to perfectly pack fine china. As long as you're detail-oriented, we can teach you all that through our on-the-job training. As long as you have the willingness to learn, a passion for helping others, and a desire to be part of the best team in the business, we have every confidence in the world that we can teach you the rest. It's why we have invested in creating a comprehensive onboarding and training program that's 100 percent unique to Let's Move.

OUR NEW-HIRE ONBOARDING PROCESS

1

TWO-DAY TRAINING

Before you pack a single box or work directly with any of our clients, you'll spend two full days in new-hire orientation and training. In addition to reviewing our mission, core values, company policies, benefits information and more, we'll also cover job-specific training you'll need to know.

2

ON-THE-JOB TRAINING

From Day Three, you'll learn from some of the best while out in the "field" helping pack, unpack, downsize and more. You'll always have a more senior team member to look to for guidance and direction.

3

CONTINUING EDUCATION

Through weekly and monthly staff meetings and trainings, we are always working toward giving you additional knowledge and skills.
